NB: Thank you to everybody for supporting our club again this season.
The RESERVE lists are in no particular order. We have made our selection as fairly as possible with everybody taking their turn at being a RESERVE regardless of how often they are able to bowl for us. If you are a RESERVE for any game, please try to keep yourself available as the chances are that you will be needed to play, as other people are frequently dropping out. If you are, for any reason, not available, either having been selected or as a RESERVE, please let Rosemarie know a.s.a.p.
